

# USoar

UNF's Florida Postsecondary Comprehensive  
Transition Program (FPCTP)

*To empower students with intellectual disabilities, fostering their academic,  
social and professional growth in an inclusive and supportive environment.*

### ***USoar students will:***

- ▶ Audit courses across fall and spring, with optional summer terms for 3 years
- ▶ Participate in internships or work-based learning (5-20 hours per week)
- ▶ Attend content-specific seminars
- ▶ Take part in collaborative opportunities to develop skills and knowledge directly linked to obtaining employment
- ▶ Develop a clear understanding of employment goals and how to accomplish them
- ▶ Participate in campus life and student-oriented events
- ▶ Earn individual micro-credentials aligned with the NACE's Career Readiness Competencies
- ▶ Complete a NACE Career Readiness Certificate
- ▶ Earn a Certificate of Career Development (COCD)

### ***Program Benefits:***

- ▶ Accepted students who remain in good standing are eligible to receive up to a **\$15,000** scholarship to support course completion and offset related expenses (tuition, housing, meals and materials)
- ▶ Cohort model with Fall admittance only
